

# DEMOBASE

U.S. Census Bureau International Gridded Population Maps and Data

## DEMOBASE Haiti

- Custom polygons for small-area population estimates
- National population database: 100-meter grid cells
- Hurricane (line buffer) population estimates
- Delivered the day after the January 2010 earthquake, supported humanitarian relief planning

To get started, watch these training videos: [Site Overview](#), [Explore Haiti](#), [Drawing Polygons](#), [Hurricane Tool](#)

**Polygon 1**  
Population Estimate: 397,974  
Area: 41.331 km<sup>2</sup>  
[Hide Polygon](#) / [Show Polygon](#) / [Edit Polygon](#)  
[Show 2003 Census Data](#) / [Hide Census Data](#)

**Polygon 2**  
Population Estimate: 90,125  
Area: 3.004 km<sup>2</sup>  
[Hide Polygon](#) / [Show Polygon](#) / [Edit Polygon](#)  
[Show 2003 Census Data](#) / [Hide Census Data](#)

Total Population: 488,099  
Total Area: 44.335 km<sup>2</sup>

Inner Polygon - 5,000 meters  
Population Estimate: 447,074  
[Bring to front](#) / [Hide Polygon](#)

Middle Polygon (Includes Inner) - 10,000 meters  
Population Estimate: 1,193,062  
[Bring to front](#) / [Hide Polygon](#)

Outer Polygon (Includes Middle & Inner) - 20,000 meters  
Population Estimate: 2,770,913  
[Bring to front](#) / [Hide Polygon](#)

[Show 2003 Census Data](#)  
[Hide Census Data](#)

Latitude: 18.45616283 Longitude: -72.430283

# DEMOBASE Pakistan

- Street-level custom polygons for neighborhoods
- Earthquake (point location) population tool
- National database delivered during summer 2010 floods
